## Message - Principal

**“A positive attitude may not solve all our problems, but that is the only option we have if we want to get out of problems.”— Subodh Gupta.**

More often than not, we may face situations that require us to make life-changing decisions. It may be not easy because of the fear of the unknown and our attitude toward the problem. A bad attitude is like a flat tyre that will prevent you from moving unless you change it. Attitude is the key component of success—the right attitude help to overcome obstacles and challenges.

You can achieve your goals and inspire others to do the same with the right attitude. Many people will start their challenge with optimism and a desire to make a change, but they may get discouraged by criticism, rejection, disappointment, or even doubts as time goes on. If it cumulates, it affects their ability to stay positive. Your attitude is your window to the world, affecting everything in your life. Nobody else can clean the window if it gets dirty.

**Stay positive when stressed.** The most important thing to remember in a stressful situation is that you are not alone. Other people also have experienced similar stress, but they could overcome it. Realize that there are people who can help you. These can be mentors, superiors, friends, family members, co-workers, or strangers. Sometimes just having someone to talk to will relieve some of the pressure. Additionally, knowing someone who has gone through a similar situation can be comforting.

**Stay positive in a difficult situation.** Don't give up or get frustrated if you struggle with your class/ college work because things have been tough lately. Often, we may feel defeated when faced with a difficult situation. It is essential to keep a positive attitude and focus on the future while facing such problems. You have to believe in yourself and accept that result you get will be for your bright future.

**Stay positive when you are feeling down.** If you feel down, surround yourself with positive people and interact with them. If you feel overwhelmed, take a small break and do something that makes you happy, like reading, playing, dancing, listening to music, etc.

**Stay positive after a defeat.** If you find yourself tumbling down and defeated, it is paramount to remember that most successful people experiences failures from time to time. Thomas Alva Edison is undoubtedly one of the most prolific inventors of our lifetime. His bulb invention was not an instant success; he failed a lot. He made 1000 unsuccessful attempts while inventing the light bulb. When a reporter asked, "How did it feel to fail 1000 times? Edison replied, "I didn't fail 1000 times; the light bulb was an invention with 1000 steps". This reply shows his positive attitude.

**A positive attitude alone is not enough to overcome the hurdles in life.** Success requires patience, effort and commitment because even when you can develop positive thoughts, you are not immune to difficulty. There will be a lot of hardships, but your belief in yourself and persistence will help you overcome them. Commitment is the willingness to do whatever it takes to accomplish your goals. No matter how difficult it is, commitment means sticking to your plans and not giving up.

**Great things hardly ever happen in your comfort zone.** To achieve your goal and develop your potential, you must go extra mile and do the things you are afraid of. It doesn't matter how complicated the project you are working on seems; it is possible to succeed. Don't miss the opportunities for public speaking like the LEAD program. Nothing is impossible once you are determined to thrive on it. All you need is a positive attitude and success strategies.

## UEC Managing Committee Team

**V.K Shamsudeen**, Chairman & Managing Trustee

**P.B. Abdul Jabbar**, Chief Patron

**P.K. Salim**, Vice Chairman

**C.K. Mukundan**, Vice Chairman

**Jayraj B. Pillai**, Secretary

**V.K. Abdul Gafoor**, Treasurer

**V.K. Abdul Salim**, Joint Secretary

**Jabir K. Mohmmmed**, Executive Director

**P.B. Anvar**, Executive Member

**P.B. Zainudeen**, Executive Member

## Academic Heads

**Dr. Jose K Jacob**, Principal

**Dr. K K Narayanan**, Head of the Department, Applied Science & Humanities

**Dr. Sreeraj R**, Head of the Department, Computer Science & Engineering

**Mr. Francis P A**, Head of the Department, Mechanical Engineering

**Ms. Bindumol V G**, Head of the Department, Civil Engineering

**Ms. Remya V R**, Head of the Department, Electrical & Electronics Engineering

**Ms. Rekha M**, Head of the Department, Electronics & Communication Engineering

## WEBINARS

**ENGINEERING COLLEGE**  
ISO 9001:2015 | Approved by: AICTE | Affiliated to KTU

**Webinar on**  
**German Language:**  
**Opportunities Galore!!**

Date: 28 January, 2022 (Friday)  
Time: 3 pm to 4 pm  
Resource person: Mr. Pradeep, Smile German Classes

All students and faculty members of **Electronics & Communication, Computer Science & Civil Engineering** Departments are **WELCOME!!**

Organised by: **Smile German Classes**  
(www.smilegermanclasses.com)

**IN COLLABORATION WITH**  
**Universal Engineering College**  
(www.uec.ac.in)

Smile German Classes in collaboration with Universal Engineering College conducted a Webinar on "German Language : Opportunities Galore!!" on 28th January 2022 at 3.00 pm. Mr. Pradeep, Smile German Classes handled the session.

## IEDC

Innovation and Entrepreneurship Development Cell of Universal Engineering College in association with Institution's Innovation Council conducted a Webinar on "Low Cost Internet Connectivity-Technical and Implementation Aspects" and "How to give low cost internet connectivity to common people" on January 20th 2022 at 7.00 pm. Mr. Alex T Jacob, MD, Worldshore Networks Pvt Ltd, Technopark, Trivandrum handled the session. The talk is an awareness program of Prime Minister's Wifi Access Network Interface (P. M. Vaani). Technical and Implementaion strategies are discussed in the program along with audience interaction.

**UNIVERSAL ENGINEERING COLLEGE**  
ISO 9001:2015 Approved by: AICTE Affiliated to KTU

**WEBINAR ON LOW COST INTERNET CONNECTIVITY-TECHNICAL AND IMPLEMENTATION ASPECTS**

Topic: How to give low cost internet connectivity to common people

**Speaker : Alex T Jacob,**  
Managing Director,  
Worldshore Networks Pvt  
Ltd, Technopark,  
Trivandrum

**Chief Guest : Dr Johnson Y**  
Director, Future Tech  
Solution, Trivandrum

Date : Jan 20 Thursday  
Time : 7:00pm

Platform : Google Meet
