<https://uec.linways.com/student/>
- **Grievance Redressal mechanism for Faculty, Staff and Students** : UEC has an internal evaluation system which is transparent and time bounded. To evaluate the progress of the students in their academic subjects mainly two series test are conducted, namely series 1, series 2 in addition to tutorials and assignments. The portions to be covered, model question paper, evaluation pattern ,date of examination, mode of conduct will be informed to the students. Department in charge of examination will rectify issues if any related to the conduct of series test. The college student's grievance and redressal committee will be handling the issues related to college level examinations, complaints about series test, deficiency in teaching pattern. This committee consists of senior most member of the institution as convener, Student and faculty members from each department. A student who has any complaint about the valuation or needs any clarification in the mark scored can approach the faculty concerned first. There will be a mentor for each student to whom he can share his complaints & grievances. If the student is not satisfied with the counsel of faculty, he can complain it to the grievance cell. And these complaints will be discussed and disposed within two days. In the class and course committee students can share their grievances with the tutor, faculties & HoD. The complaints received based on the university examinations, certificates, schedule of valuation, & mark sheets are addressed at the University level. It will be monitored through proper channel to get a result. If Page 34/81 11-04-2022 06:19:48 Self Study Report of UNIVERSAL ENGINEERING COLLEGE the re-valuation mark is lesser than the original marks, the original marks shall be retained. The result of revaluation will be announced soon after the request from the student.
