VISION

Provide excellent engineering education, imparting skill development and innovation ecosystem to create engineers that cater to the needs of the society with strong ethical values

MISSION

- Qualified faculty and intact infrastructure, bestow creative and innovative engineering education.
- Equip the students with competent and cutting edge technologies.
- Mould the students to meet the changing challenges with global outlook.
- Inculcate moral and ethical values among students so as to serve the needs of the society.

Dr. Jose k Jacob
Principal

Message - Principal

Dear Staff and Students,

As we navigate the exciting journey of learning and growth here at Universal Engineering College, I wish to remind you about the importance of finding joy along the way. In our pursuit of academic excellence and personal development, it's easy to become fixated on the end goal. However, I urge you to remember that true fulfilment comes not just from reaching the destination, but from embracing the journey itself.

Whether you're studying for exams, working on projects, or pursuing your career aspirations, I encourage you to find joy in every step of the process. Take pride in your progress, no matter how small, and celebrate the effort and dedication you put into your work. When you're pursuing something that truly inspires you, the journey becomes much more enjoyable and rewarding. I want to remind you to be kind to yourselves throughout this journey. Perfection is not attainable, and setbacks are a natural part of the learning process. Be patient with yourself, practice self-compassion, and know that it's okay to ask for help when you need it.

As we continue on this journey together, let us strive to find joy in every moment, to support and uplift each other, and to embrace the opportunities for growth and learning that come our way.

"Believe in yourself and all that you are. Know that there is something inside you that is greater than any obstacle." - Christian D. Larson

The difference between what we are currently doing and what we are capable of achieving holds immense power to address the various problems facing humanity today. Life is like a ten-speed bike. Most of us have gears we never used. It is not good to travel through a life without breaking a sweat.

To bridge the gap between action and capability, we must first cultivate a deep sense of self-awareness. This involves reflecting on our strengths, weaknesses, passions, and aspirations with honesty and clarity. Taking proactive steps to expand our skillset and knowledge base is crucial in bridging the gap between our current actions and our untapped capabilities. This may involve seeking out opportunities for learning and growth, whether through formal education, professional development programs, or hands-on experiences. Equally important is cultivating resilience in the face of setbacks and obstacles. Adversity is an inevitable part of the journey towards realizing our potential, but we can persevere in the face of adversity that ultimately determines our success. Let us dare to dream, to aspire, and to strive for greatness, for it is within each of us to do so.

Dr. Jose K Jacob, Principal

Dr. K K Narayanan, Vice Principal

Dr. Jobin M V, College Dean

Dr Nitha C Velayudhan, Head of the Department, Computer Science & Engineering

Dr. Premshankar, Head of the Department, Mechanical Engineering

Dr. Harinarayan N H, Head of the Department, Civil Engineering

Dr. Joly, Head of the Department, Electrical & Electronics Engineering

Dr. Shaniba Azmi P, Head of the Department, Electronics & Communication Engineering

Mr. Akbar V K, Head of the Department, Applied Science & Humanities

BRIDGEX 2.0 COMPETITION

Lali George and Hiba I.Y, students of the eighth semester Civil Engineering Department, secured the **THIRD PRIZE** in the Bridgex 2.0 competition at the annual technical fest 'SHRESHTA' hosted by the Muthoot Institute of Technology on March 1st, 2024.

Seminar

On March 4, 2024, Dr. Harinarayan, Professor in the Department of Civil Engineering at Universal Engineering College, hosted a seminar on the Publication of Technical Papers. The seminar provided insights into the process of writing, submitting, and publishing technical papers, offering valuable guidance aiming to share their work with the academic community.

MOCK GROUP DISCUSSION

Literary and Debate club in association with Training and Placement Cell conducted mock Group Discussion for the final year students on 05-03-2024. Mrs. Suprabha (Assistant Professor, Dept of ASH), Mr. Roopesh (Assistant Professor, Dept of ASH) handled the session.

Communication Skill Enhancement Program

The Communication Skill Enhancement program organised by ION Club of Electrical and Electronics Department in association with Literary and Debate Club was conducted at A-Block of Universal Engineering College on 05-03-2024. It was conducted with the aim of improving students' abilities to effectively convey ideas, listen actively, and engage in productive dialogue. Mr. Roopesh (Assistant Professor, Dept of ASH) handled the session.

Technical Talk

The SAE UEC, in association with the SAEISS Cochin Division, successfully conducted a technical talk 'Software Defined Vehicle' on 06-05-2024. Mr. S Shanmugam, Director Design Desk India Pvt Ltd handled the session.

Talk

On 07-03-2024 CESA along with Gwala, Shristi and IGBC conducted a session by Er. Sahya Sahadevan on "Breaking Barriers, The Journey of a Female Entrepreneur" her remarkable journey as an Entrepreneur. She has given insight to the world of opportunities for our budding engineers.

Shining Stars

On 27-03-2024 CESA conducted "Shining Stars" is an award ceremony designed to recognize and celebrate exceptional students who excel in both academics and extracurricular activities. This program honors those who have demonstrated outstanding achievements in their studies, as well as in non-academic areas such as sports, arts, leadership, and community service

As part of Women's Day 08/03/2024 NSS 590 volunteers of Universal Engineering College Vallivattom distributed saree to needy women of Kodungallur area .

NSS 590 Universal Engineering College conducted blood donation camp SANJEEVANAM 3.0 in association with BDK Thrissur on 12/3/2024

QUIZ IT UP Quiz Competition

Shriya P Sathesh, Asildas and Anjaneyan P R students of the second semester, secured the **FIRST PRIZE**, Radheshyam Raghav, Thanmay K Babu and Thejus E S students of the fourth semester, secured the **SECOND PRIZE** and Sandesh C S, Sayooj T S and Amal Krishna M R students of the fourth semester, secured the **THIRD PRIZE** in the QUIZ IT UP quiz competition hosted by the IEEE in association with ION club

UEC Staff Club

MoU Signed

Department of Civil Engineering is delighted to announce the successful signing of the Memorandum of Understanding (MOU) between Universal Engineering College and Keywords Technology, a leading training centre for TEKLA software. This collaborative partnership holds immense potential for students, providing them with a wide range of opportunities to develop their skills through internship programs, expert lectures, and workshops.

Encon Club

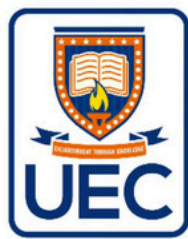

UEC Encon club celebrated World water day 2024. Principal Dr Jose k Jacob spelled out the Water Conservation pledge to our Students. K K AbdulRazak coordinator Encon club presided.

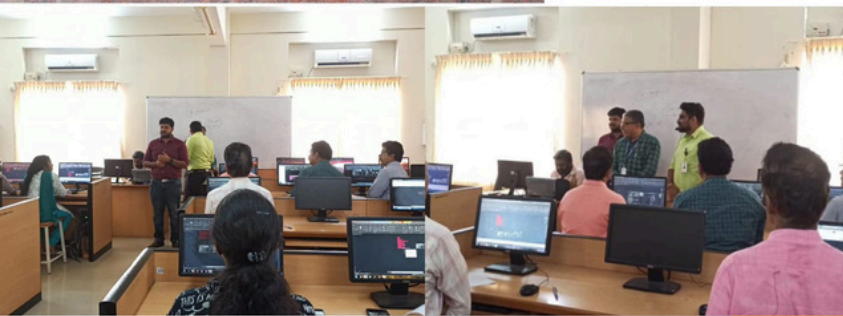

Inauguration

Universal abroad studies and Universal wellness centre inaugurated on 22/03/2024 at Universal Engineering College Thrissur.

Workshop

The Department of Civil Engineering at Universal Engineering College, as part of the outreach program, conducted a one-day workshop on K-Smart (Kerala Solutions for Managing Administrative Reformation and Transformation), an e-governance platform developed by the Government of Kerala. More than 35 licensed civil engineers from various parts of the state attended the program. The workshop was organized and conducted by Mr. Sajan Jose (Assistant Professor of the Civil Engineering Department).

ISHRAE

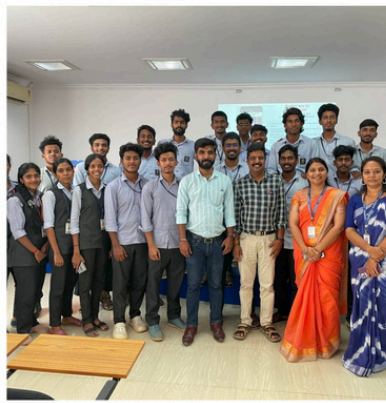

The ISHRAE UEC chapter, in association with the ISHRAE Kochi chapter, successfully conducted a technical talk on 'HVAC systems'. Mr. Rony S Benjamin (Managing partner at Hozon engineering & contracting) handled the session.

Cad Master 3.0

Prize distribution to the cad masters (Cad master 3.0 winners) organised by Techno cad club of ME department.

The Bureau of Indian Standards Club of Universal Engineering College inaugurated on 27-03-2024. The inaugural ceremony was officially inaugurated by Mr. Sarun K K (standard promotion consultant at BIS Kochi). The chief guest enlightened the students with an inspiring presentation about Indian standards.

IGBC Student Chapter

The IGBC student chapter of Universal Engineering College hosted a Quiz Competition on February 28th, 2024, focusing on the theme of Environmental Air and Water Pollution, in observance of National Science Day. Fathima Wafa M M (S8 CE) secured the top spot, while Benson Chako (S6 CE) secured the runner-up position.

Faseela Memorial Award

The Faseela Memorial Award, established in remembrance of the exemplary legacy of Ms. Faseela, is an annual honour presented to recognize the academic achievements of Civil Engineering students at Universal Engineering College. The 2024 Faseela Memorial Award was bestowed upon two remarkable students of 2019 batch: Niranjana M B (CGPA of 9.51) and Afna P Raphy (CGPA of 9.50).

Ifthar Meet

Ifthar meet conducted by S6 & S4 EEE,ECE & ME students on 25/3/24 at Universal Engineering College
