Universal Engineering College

NAAC Accredited Institution

Approved by AICTE, Affiliated to APJ Abdul Kalam Technological University

Irinjalakuda , Vellangallur Road, Thrissur - 680 123, Kerala, Ph: +91 480 2864177, Email: info@uec.ac.in, www.uec.ac.in

VISION

Provide excellent engineering education, imparting skill development and innovation ecosystem to create engineers that cater to the needs of the society with strong ethical values

MISSION

- Qualified faculty and intact infrastructure, bestow creative and innovative engineering education.
- Equip the students with competent and cutting edge technologies.
- Mould the students to meet the changing challenges with global outlook.
- Inculcate moral and ethical values among students so as to serve the needs of the society.

V.K Shamsudeen
Chairman

Message - Chairman

Once upon a time, there was a Persian farmer named Al Hafed. He owned a vast stretch of land and lived a contented life. One day, he met a businessman who spoke of the immense wealth in the diamond trade. Captivated by the opportunity, Al Hafed decided to seek his fortune and embarked on a quest for diamonds. He spent a considerable amount of money in his pursuit and eventually sold his property to fund his search.

Meanwhile, the new owner of Al Hafed's land was going about his daily routine. One day, as he was watering the fields, he noticed something glistening in the soil. To his amazement, it was a large diamond. Further exploration revealed that the land was, in fact, filled with diamonds. Al Hafed had unknowingly lived atop acres of diamonds, but he failed to recognize their potential.

This story raises a pertinent question: Why do we fail to recognize the diamonds in our own backyard, right beneath our feet? Often, it is because diamonds in their rough, uncut form are not immediately apparent. Recognizing and polishing these uncut diamonds requires effort and hard work.

Dear staff members and students, each of us has acres of diamonds right beneath our feet. The key lies in learning to see them. Let us strive to recognize the opportunities and potential within ourselves and our surroundings. With dedication and hard work, we can uncover and polish these hidden gems.

Together, let us make Universal Engineering College a place where every member is inspired to discover and develop their unique talents and opportunities.

Dr. Jose k Jacob
Principal

Message - Principal

If you think you can, you can. If you think you can't, you are right.

In 1954, the world of athletics held a firm belief: no human could run a mile in less than four minutes. This belief stood unchallenged until Roger Bannister shattered it on a memorable day in London, completing a mile in just 3 minutes and 59.4 seconds. His triumph did more than set a new record; it dismantled a mental barrier. By the end of 1957, sixteen more runners had achieved what was once deemed impossible, running the mile in under four minutes. The collective mindset had shifted, proving the immense power of breaking through mental barriers.

Each of us harbours beliefs about what we can and cannot achieve. Often, our potential is confined not by our abilities but by our mental limitations. These barriers restrict our efforts and hinder our success. We hesitate to try because we perceive these barriers as insurmountable.

Dear staff members and students, I urge you to identify your four-minute barrier and commit to breaking it. Challenge your limitations, push beyond your comfort zone, and strive for excellence. Let Roger Bannister's legacy inspire you to overcome the barriers in your mind and achieve the extraordinary.

Together, let's make Universal Engineering College a place where barriers are not just broken but obliterated.

Dr. K K Narayanan, Vice Principal

Dr. Jobin M V, College Dean

Dr Nitha C Velayudhan, Head of the Department, Computer Science & Engineering

Dr. Premshankar, Head of the Department, Mechanical Engineering

Dr. Harinarayan N H, Head of the Department, Civil Engineering

Dr. Joly, Head of the Department, Electrical & Electronics Engineering

Dr. Shaniba Azmi P, Head of the Department, Electronics & Communication Engineering

Mr. Akbar V K, Head of the Department, Applied Science & Humanities

M.Tech Civil Engineering student Jafir and B.Tech Mechanical Engineering student Midhun attended the Kerala State Senior Rugby Championship as part of the Ernakulam district team.

ENCON CLUB

Uec Encon club celebrated the World Environment day in association with Vellangallur Press club. Club President Sri PKM Ashraf planted a tree sapling and inaugurated the function. College Vice Principal Sri K K Narayanan distributed the tree saplings. Sri K K AbdulRazak Coordinato tryr Encon Club, Sri Prakash (Mathrubhumi), Najeeb Hashmi(Suprabhatham), CSE Hod Dr Nitha Nibin,Athira AS, Geeshma K M, Divya jyothi K S, Nabeel PA were delivered the felicitation address.

PROJECT EXPO

Talents of our final year students and their project guides were showcased in the project expo which was held at Universal Engineering college on 05-06-2024.We had a wide coverage of media which includes Asianet Mathrbhumi Deepika Chandrika Madhyamam Suprabhadam and Mangalam. Ram Mohan Prasadhi's presence added glory to the function.

Department of Civil Engineering prepared and handed over the proposed plan of newly constructed building of GLPS karupadanna, Mr . Sajan Jose Asst Prof and Mr Nighil Asst Prof given necessary guidelines given to the Students. Head of department Civil Engineering Dr Harinarayanan, K K Abdulrazak Workshop Superintendent, Mr Sajan Jose, Principal HSS karupadanna, HM GLPS ,PTA president, deligates from Mathrusangamam, OSA representatives were present in the function.

WORKSHOP

Mr. Sajan Jose, Assistant Professor in the Department of Civil Engineering, Universal Engineering College successfully conducted a two-day workshop for the students of Holy Grace Academy. This initiative was part of the outreach program by the Civil Engineering Department at Universal Engineering College, aimed at fostering technical knowledge among students.

FACULTY ACHIEVEMENTS

Norden Flagship HR Consultants have recognized Dr. Prem Sankar R, Chief Placement Officer at Universal Engineering College, as the Most Prominent Upcoming Placement Officer.

Graduation Day

The Universal Engineering College dedicated to the pursuit of excellence in engineering education, held its annual convocation on July 23 2024. The ceremony was a momentous occasion for the graduating students as they embarked on a new chapter in their lives, and it was graced by the presence of CUSAT VC prof. Dr Sankaran, who attended as the chief guest and the presence of UET Vice Chairman Mr. C. K Mukundan added to the ceremony's richness.

The convocation ceremony commenced with the academic procession led by the esteemed faculty members, followed by the graduating students who wore their academic regalia with pride. The event celebrated the academic excellence achieved by the students during their time at Universal Engineering College.

Prof. Dr Sankaran CUSAT VC, delivered an inspiring and thought-provoking address to the graduating students. He shared insights into the importance of technical education in today's world and the role engineers play in shaping the future. His words of wisdom and encouragement motivated the graduates to pursue their dreams with passion and dedication.

The highlight of the ceremony was the conferring of degrees to the graduating students. Each graduate walked across the stage with pride and received their degrees from Delegates. This symbolic moment marked the culmination of years of hard work, dedication, and perseverance.

The convocation also recognized outstanding achievements of students in various fields. Medals and awards were presented to those who had excelled in academics, research, and extracurricular activities. These awards served as a testament to the college's commitment to nurturing well- rounded individuals.

The Universal Engineering College Convocation with Prof. Dr Sankaran as the chief guest was a resounding success. It not only recognized the accomplishments of the graduating students but also provided them with valuable insights and motivation for their future endeavors. The event brought together a community dedicated to the pursuit of knowledge and excellence, setting the stage for a brighter and more promising future.

Placement Day

Placement Day 2024 was celebrated in Universal Engineering College on 23 July 2024. More than 170 students have got placement at leading companies. UEC proudly commemorates the remarkable achievements of its students on the occasion of Placement Day 2024.
