ITEM	MINUTES	ACTION BY	REMARK S /TARGET DATE
	Meeting was held for planning the academic activities for the academic year 2021-2022 and to review the activities held on the academic year 2020-21.		

ITEM	MINUTES	ACTION BY	REMARK S /TARGET DATE
	Dr. K K Narayanan, Director, IQAC welcomed all. He		
	congratulated the team for playing an important role in		
	implementing most of the things planned for the academic year		
	2020-21.		
	Review of the suggestions given in the previous meeting		
	held on 15/07/2020		
	Webinar and Online Courses: Conducted webinars with industrial experts, which received positive feedback. Online courses were not effective; alternative methods will be explored for future implementations. Google		
	will be explored for future implementations. Google Classrooms & YouTube channels by Faculty were started easing the teaching learning process during Covid time		
	 Curriculum Gaps: Identified and addressed curriculum gaps for the previous academic year through planned activities. Pedagogical Initiatives: Implemented pedagogical initiatives, but they were not successful; further evaluation and improvement are 		
	needed. • Project Publication: Initiated a trend of publishing project work in conferences and journals, promoting research and innovation. • IEDC Initiative:		
	Three teams participated in Flowers channel start up programme. Launched the "Go Corona" app as part of the IEDC initiative, contributing to the fight against COVID-19. • Placement Training: Conducted placement training programs, but placements were less due to COVID-19 pandemic; alternative strategies will be explored.		
	 Library Development: Added 1206 volumes of books to the library, enhancing resources for students and faculty. Technical Magazine: 		
	Published technical magazines, providing a platform for students and faculty to share knowledge and research. Following suggestions were made to be implemented for the		
	next academic year.		
	Activities for filling the curriculum gap should be planned before the commencement of each semester		

ITEM	MINUTES	ACTION BY	REMARK S /TARGET DATE
	and the same is to get approved from the stream coordinator/DQAC. Suggested to apply for the NAAC Accreditation Process to enhance the institution's quality and credibility. The Computer Science and Engineering Department had utilised resource persons from the industries to deliver a portion of few courses during the academic year 2020-2021. Appreciate the efforts. Since this could reduce the gap between industry and academia, all the departments should try to adopt the same from the current academic year onwards. Special attention is to be given to the first year students as they had undergone only online classes for Higher secondary. Special focus needs to be given for research. It is observed to be very weak in all the departments. Faculty should be encouraged to register for PhDs. Also some incentives to be given to the faculty publishing in indexed Journals. Try to implement activity based learning for a few portions in all the courses. Models, charts, animations etc. should be made for possible topics so as to aid the teaching learning process. Pedagogical Initiatives: Discussed the need for innovative pedagogical initiatives to enhance teaching-learning processes. Decided to conduct workshops, training programs, and faculty development programs to improve the technical skills of faculty and also to create awareness on outcome based education. Book Purchase Requirement: Required books should be purchased for various departments. Decided to prioritize and process the requests to strengthen the library resources. Placement Training and Placement Count: Expressed concern over the low placement count and inadequate placement training. Decided to revamp the placement training program and engage with industry experts to improve placement opportunities. IEDC (Innovation and Entrepreneurship Development Cell) Discussed the need for IEDC to be more active and vibrant. Decided to encourage innovation, entrepreneurship, and start-up initiatives among students and faculty.	Suggestions that needs approval were given to BoG Other suggestions were forwarded to Principal for its implementation	DATE

Minutes of the IQAC Meeting

Academic Year 2020-21

Name of the meeting: IQAC Meeting	Date: 26/08/2021
No of the Facilitator: Dr. Jose K Jacob (Principal)	Time: 10:00 AM
Meeting type: Scheduled	Venue: IQAC Room
A	ttendees
Dr. K K Narayanan (IQAC Director and Hob) ASH)	Mr. Antonio Joseph (AP, ME)
Mr.Francis P. A (HoD, ME)	Mrs. Reshma P. S (AP, ECE)
Mrs. Bindumol VG (HoD CE)	Mrs. Latha Thomas(AP, EEE)
Mrs. Remya V R (HoD EEE)	Mrs. Anima P (AP, CE)
Mrs. Rekha Mathew (HoD ECE)	Mr. Deepak (AP, CSE)
Dr. Sreeraj (HoD CSE)	Mr. Arjun (AP, ME)
Agenda: Regarding Approval of I	nnovation and Entrepreneurship Policy

Sl No.	Points discussed	Responsibility	Scheduled Date
	Dr. K K Narayanan, IQAC Director welcomed the gathering. Dr. Jose K Jacob, Principal and President IIC briefed the policy document.		
I	Mr. Antonio Joseph V K, General Secretary IQAC and Vice-president IIC, explained all the sections in the policy document. The policy document draft is then placed for an open discussion.		

IQAC approved the policy document formulated by the NISP expert committee.

The approved document is as follows:

Vision

To create an innovation ecosystem among the students and faculty, thereby promoting them to emerge as entrepreneurs.

Mission

- To establish a dynamic startup ecosystem in the institution.
- To promote innovation and entrepreneurship related activities among the students and faculty.
- To create links between research institutions, universities and industries for knowledge exchange, business relationship and research.

Policy Document

UEC National Innovation and Startup Policy document:

Incubation support

- Allowing students, faculty and staff to work part-time for their startups while studying / working.
- Creating facilities for pre-incubation and Incubation by mobilizing resources from internal and external sources.
- Provide business incubation facilities.
- Providing facilities (Laboratories, Research facilities, IT services, Training and Mentoring Services, etc.) at subsidised cost.

Student support

 Awareness about the importance of innovation and entrepreneurship will be provided to the first year students. Therefore, they will be very well informed about the entrepreneurial activities and

LIT. JOSE K. JACOB
PRINCIPAL
UNIVERSAL ENGINEERI IG COLLIGE
P.O. VALLIVATTOM, THRISSUR DT. 680 123

support offered by the institute.

- Supporting the students by providing incubation facilities, provision for semester break as per the norms of KTU, attendance etc.
- Student clubs/ bodies will be created for organizing competitions, boot camps, workshops, awards, etc.
- 'Innovation & Entrepreneurship Award' to recognize outstanding ideas, successful enterprises and contributors.

Faculty Support

- Institute would recruit staff that have a strong innovation and entrepreneurial/industrial experience, behaviour and attitude.
- Faculty and departments of the institutes have to work in coherence to promote interdisciplinary activities.
- Faculty and staff should be encouraged to do courses related to innovation and entrepreneurship.
- Guest Lectures by Subject Matter Experts/ Entrepreneurs.
- Provisions to work part-time for their start-ups.
- Incentives for innovations/ patents.

Creating Innovation Pipeline and Pathways for Entrepreneurs at Institute Level

- UEC ensures the students, faculty and staff are exposed to innovation and pre-incubation activities.
- Link between the incubation centre and companies is to be established to integrate education activities with enterprise-related activities.
- Events will be held for the budding entrepreneurs to meet the investors and pitch their ideas.

Course designed for students

- Case studies on business failure and real-life experience reports by start-ups will be introduced among the students as a part of addon courses for creating awareness among them.
- Proper orientation will be provided to the students to come up with projects and innovations based on real life challenges.
- Short-term/ six-month part-time entrepreneurship training will be

introduced.

 Designing short term courses in a variety of areas including technology development, ideation, creativity, design thinking, fund raising, financial management, cash-flow management, new venture planning, business development, product development, social entrepreneurship, product costing, marketing, branddevelopment, human resource management as well as on areas of new generation technologies like Artificial Intelligence, Block chain, Machine learning, IoT etc.

Networking or Collaborating Support:

- Institute may link the startups to other seed-fund providers'/ angel funds/ venture funds or itself may set up seed-fund once the incubation activities mature.
- Providing support to potential startups to link with the companies having a wider entrepreneurial ecosystem.
- Events will be organized for the budding entrepreneurs to meet investors and pitch their ideas.

Entrepreneurial Impact Assessment

- Impact Assessment for pre-incubation, incubation, entrepreneurship education is formulated with well-defined evaluation parameters.
- The support mechanism offered and the number of startups and new business relationships established in the Institute should be recorded and used for impact assessment.
- The key performance indicators are used to measure the entrepreneurial impact assessment.

The meeting was adjourned at 11:30 AM

ITEM	MINUTES	ACTION BY	REMARK S /TARGET DATE
	Dr. Narayanan K K, Director, IQAC welcomed all. He briefed about the agenda of the meeting. Discussions were made on the usage of Linways for the preparation of course files, enhancing the soft skills of the students and to make a five year plan for the institution. Following decisions were made in the meeting		
	It is decided to create course files using Linways for the current semester.	All Faculty	
)	It was also decided to conduct add-on course on Soft skills for the first year students, subject to the approval from the Principal. The faculty that may handle the course are: May Addison N.P.	IQAC	
	Ms. Athira N R Ms. Chelsy Joy Ms. Suprabha C C Ms. Noufala T S Mr. Prem Sankar Ms. Minnuja Shelly Ms. Gouri S Kumar	· V.····	
	The course is initially planned for 1st year students and the course will be completed only once all the course contents are completed (may last for 2-3 semesters). There will be interim evaluations about the performance of students. Certificates will be provided by IQAC to those students who qualify all the evaluations. The course should be included as part of the time table (2hr per week - preferably continuous hours), so that it will be treated by the students seriously. Also, the course can be completed effectively. The time slots provided for the professional communication may be utilised for this purpose if it is difficult to find extra time amidst the busy academic schedule. The detailed content and duration of the course is as follows:		
	Course on Soft Skills (Total Duration 120 hr) Course contents Elements of interpersonal communication (4 hr) Tools of communication (4 hr) Barriers to communication (2 hr) Speaking effectively (8 hr) Types of non-verbal communication (6 hr) Body language, posture and proximity (6 hr)		
	Personal appearance (4 hr) Self confidence (6 hr)		

ITEM	MINUTES	ACTION BY	REMARK S /TARGET DATE
	Listening skills (8 hr) Presentation skills (8 hr) Reflective thinking and writing (8 hr) Critical thinking (6 hr) Academic debate (4 hr) Group work (6 hr) Peer-to-peer interaction (8 hr) Stress and emotion management (8 hr) Time management (6 hr) Problem solving (6 hr) Decision making (6 hr) Workplace etiquette (6 hr) • A brainstorming session in connection with "UEC2K27 - Journey Towards Excellence", shall be organised in association with Staff Club for planning the activities or next five years inline with the college vision and mission. CONCLUSION All IQAC members are requested to share the details in their respective departments and to play an important role in implementing the above discussed matters.	IQAC and Staff Club

Action Taken Report 2021-2022

Academic Excellence Initiatives

- 1. Conducted activities to fill curriculum gaps in syllabus, enhancing student learning outcomes.
- 2. Organized sessions handled by industrial experts for select courses, fostering industry-academia collaboration.
- 3. Implemented bridge courses and remedial measures for first-year students, ensuring smoother transition.

Innovative Learning Methods

1. Introduced activity-based learning, promoting experiential education.

Faculty Development

1. Provided incentives for publications in indexed journals, encouraging faculty research.

Workshop and Training

1. Conducted outcome-based workshop, focusing on result-oriented education.

Library Enhancement

1. Added 2008 volumes to the library, expanding knowledge resources.

Entrepreneurship Development

1. Conducted programmes under IEDC (Innovation and Entrepreneurship Development Cell), nurturing entrepreneurial spirit.

1/NO . 10

Placement Enhancement

1. Improved placement counts through intensified placement training sessions.

Examination Schedule

- 1. Conducted First Series exam for S7 (10-12 Nov 2021)
- 2. Completed First Series exams for S1, S3, S5 (12-15 Jan 2022)
- 3. Conducted Second Series exams for S3, S5 (19-22 Feb 2022)
- 4. Conducted Second Series exam for S1 (23-24 Feb 2022)
- 5. Conducted Second Series exam for S7 (18-22 Dec 2021)
- 6. Conducted First Series test for S8 (12-14 Apr 2022) and S2 (6-9 May 2022)
- 7. Conducted First Series test for S4, S6 (26-28 May 2022) EERING
- 8. Conducted Second Series exam for S8 (26-28 May 2022)
- 9. Conducted Second Series test for S2 (18-21 Jun 2022)
- 10. Conducted Second Series test for S4, S6 (1-4 Jul 2022)
